1 Compliance with the Act and the Listing Rules

1.1 Replaceable rules

To the extent permitted by the Act, the replaceable rules contained in the Act do not apply to the Company and are displaced in full by this Constitution.

1.2 Compliance with the Act and the Listing Rules

- (a) Despite anything express or implied in this Constitution, each and every provision of this Constitution is subject to the Act and, if the Company is Listed, the Listing Rules and the Settlement Rules. The Company must at all times comply with the Act and, where applicable, the Listing Rules and the Settlement Rules.
- (b) If there is any inconsistency between any provision of this Constitution and the Act, the Listing Rules or the Settlement Rules, then the Act, the Listing Rules or the Settlement Rules (as the case may be) will prevail to the extent of the inconsistency.
- (c) Without limiting the generality of clauses 1.2(a) and 1.2(b), if the Company is Listed, the following provisions apply:
 - (i) despite anything contained in this Constitution, if the Listing Rules prohibit an act being done, that act must not be done;
 - (ii) nothing contained in this Constitution prevents an act being done that the Listing Rules require to be done;
 - (iii) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
 - (iv) if the Listing Rules require this Constitution to contain a provision and it does not contain such a provision, this Constitution is taken to contain that provision;
 - (v) if the Listing Rules require this Constitution not to contain a provision and it contains such a provision, this Constitution is taken not to contain that provision; and
 - (vi) if any provision of this Constitution is or becomes inconsistent with the Listing Rules, this Constitution is deemed not to contain that provision to the extent of the inconsistency.

1.3 Listing Rules

A reference in this Constitution to the Listing Rules, the Settlement Rules or the ASX has effect only for so long as the Company is Listed and must otherwise be disregarded.

2 Share capital and variation of rights

2.1 Shares

Subject to this Constitution, the Act and the Listing Rules, the Directors may:

- (a) issue, allot or grant options for, or otherwise dispose of, Shares; and
- (b) decide:
 - (i) the persons to whom Shares are issued or options are granted;
 - (ii) the terms and conditions on which Shares or options are granted; and
 - (iii) the rights and restrictions attached to those Shares or options.

2.2 Related parties may not participate in certain securities issues

Despite anything contained in this Constitution to the contrary, no related party of the Company within the meaning of the Act may participate directly or indirectly in an issue by the Company of unissued Shares, options or other securities to the extent that doing so would contravene the Listing Rules or the Act.

2.3 Partly paid Shares

The number of partly paid Shares must be reorganised in the same proportion as the other classes of Shares. The reorganisation must not include cancellation or reduction of the total amount payable and unpaid by the holder.

2.4 Preference Shares

- (a) The Company may issue preference Shares, including preference Shares that are liable to be redeemed or convertible into ordinary Shares.
- (b) The holder of a preference Share is entitled to return of capital in preference to holders of ordinary Shares when the Company is wound up.
- (c) The holder of a preference Share is entitled to a dividend in preference to ordinary shareholders, at a commercial rate and on the basis decided by the Directors under the terms of issue.
- (d) The holder of a preference Share has the right to vote at any general meeting of the Company in each of the following circumstances and in no others:
 - (i) during a period in which a dividend (or part of a dividend), in respect of the Share, is in arrears;
 - (ii) on a proposal to reduce the Company's Share capital;
 - (iii) on a resolution to approve the terms of a buy back agreement;
 - (iv) on a proposal that affects rights attached to the Share;
 - (v) on a proposal to wind up the Company;
 - (vi) on a proposal for the disposal of the whole of the Company's property, business and undertaking;
 - (vii) during the winding up of the Company;
 - (viii) subject to the Listing Rules, in any additional circumstances specified in the terms of issue of such preference Shares by the Company relating to the Share on its allotment and issue; and
 - (ix) in any other circumstances in which the Listing Rules require holders of preference Shares to be entitled to vote.
- (e) Holders of preference Shares have the same rights as holders of ordinary Shares in relation to receiving notices, reports and audited accounts, and attending general meetings of the Company.

2.5 Variation or cancellation of rights

- (a) Subject to the Listing Rules, if at any time the Share capital of the Company is divided into different classes of Shares, the rights attached to Shares in any class of Shares (unless otherwise provided by the terms of issue of the Shares of that class) may, whether or not the Company is being wound up, be varied or cancelled by special resolution of the Company and:
 - (i) by special resolution passed at a separate meeting of Members holding Shares in that class; or
 - (ii) with the written consent of Members with at least 75% of the votes attaching to Shares in the class.
- (b) The Company must give written notice of the variation or cancellation to the Members of the class within seven days after the variation or cancellation is made.

- (c) The rights conferred on the holders of Shares in any class are not altered or abrogated by the creation or issue of further Shares of the same class ranking equally with or in priority to the Shares already issued, unless expressly provided in the terms of issue of the Shares already issued.

2.6 No recognition of trusts

Except as required by this Constitution, or Applicable Law, the Company is not bound to recognise a person as holding a Share on any trust or to recognise (whether or not it has notice of the interest or rights concerned) any equitable, future or partial interest in any Share, unit of a Share or any other right in respect of a Share, except an absolute right of ownership in the Member.

2.7 Joint holders

- (a) If two or more people are registered as joint holders of any Share:
 - (i) they hold that Share as joint tenants with rights of survivorship, subject to the provisions of this Constitution as to joint holdings; and
 - (ii) the joint Member named first in the Register in respect of that Share is treated as being the sole owner of the Share in relation to the receipt of dividends, service of notices and all other matters connected with the Company except the transfer of Shares, the right to vote, delivery of certificates and liability for calls or instalments.
- (b) Except where otherwise provided by the Settlement Rules, the Company is not required to register more than four people as joint holders of a Share.

2.8 Brokerage and commission on subscriptions for unissued Shares

Subject to the Act:

- (a) the Company may exercise the power to make payments by way of brokerage or commission in connection with subscriptions for unissued Shares; and
- (b) payments by way of brokerage or commission may be satisfied by:
 - (i) the payment of cash;
 - (ii) the allotment of fully or partly paid Shares; or
 - (iii) partly by the payment of cash and partly by the allotment of fully or partly paid Shares.

2.9 Conversion or reclassification of Shares

Subject to clause 2.5, the Company may by resolution convert or reclassify Shares from one class to another.

3 Shareholding statements and certificates for securities

3.1 Uncertificated holdings

Despite any other provision of this Constitution, the Directors may determine not to issue certificates in respect of securities of the Company or may determine to cancel those certificates without issuing any replacement certificates where that practice is not contrary to Applicable Law.

3.2 Holding statements

Where the Directors have determined (under clause 3.1) not to issue certificates in respect of securities or to cancel existing certificates, a Member will be entitled, without payment, to receive such statements of its holdings as the Company is required to give pursuant to the Applicable Law.

3.3 Where certificates are issued

Where the Directors determine to issue certificates in respect of securities of the Company, clauses 3.4 to 3.7 will apply.

3.4 Certificates to be issued under Seal

Certificates of title to securities may be issued under the Seal or by two Directors or a Director and a Secretary signing the certificates of title and otherwise according to the Act and, where applicable, the Listing Rules and the Settlement Rules.

3.5 Joint holders

The Company is not bound to issue more than one certificate or statement for Shares or options held by several persons.

3.6 Loss or destruction of certificates

- (a) Where the Company receives evidence satisfactory to the Directors that a certificate of title to securities has been lost or destroyed, the Company must (on application by the owner of the securities and payment of such fee as the Directors require) issue a duplicate certificate according to the Act and the Listing Rules.
- (b) Duplicate certificates issued according to this clause must be clearly marked 'Duplicate certificate issued in replacement of certificate numbered: [number]'

3.7 Worn out or defaced certificates

Where a certificate of title to securities is worn out or defaced, then on production and delivery of it to the Company, the Company must cancel that certificate and issue a new certificate in its place.

4 Calls on Shares

4.1 Directors may make calls

Subject to compliance with the Act and the Listing Rules, the Directors may (according to the terms of issue of a Share) make calls on Members in respect of any money unpaid on the Shares held by them, unless and to the extent that the terms of those Shares require that money to be paid at fixed times.

4.2 Notice of call

- (a) Notice of any call made by the Company must be given to the Member in writing.
- (b) The notice must be given according to the Listing Rules.
- (c) The non-receipt of a notice of any call or the accidental omission to give notice of any call to any Member will not invalidate the call.

4.3 Payments of calls

Each Member must pay to the Company, at the times and places specified by the Directors, the amount called on that Member's Shares.

4.4 Terms of call

- (a) Subject to the Listing Rules, the Directors may revoke or postpone a call.
- (b) Subject to the Listing Rules and the terms of issue of the Shares, a call may be payable by instalments.

4.5 Time of call

A call is to be treated as having been made at the time when the resolution of the Directors authorising the call was passed.

4.6 Liability of joint holders

The joint holders of a Share are jointly and severally liable to pay calls in respect of the Share.

4.7 Interest on unpaid calls

- (a) If a sum called in respect of a Share is not paid on or before the day appointed for its payment, the person from whom the sum is due must pay interest on the sum from the day appointed for its payment to the time of actual payment at the Prescribed Rate or any other rate the Directors determine.
- (b) The Directors may waive payment of all or part of the interest payable under clause 4.7(a) in writing.

4.8 Certain sums treated as calls

If, by the terms of issue of a Share, any sum is payable on allotment or at a fixed date:

- (a) that sum is to be treated as a call duly made and payable on the date on which the sum becomes payable under the terms of issue of that Share; and
- (b) if that sum is not paid, all the relevant provisions of this Constitution relating to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

4.9 Terms of issue of Shares may differ

The Directors may, on the issue of Shares, differentiate between Members as to the amount of calls to be paid on the Shares and the times of payment of those calls.

4.10 Prepayment of calls

- (a) The Directors may:
 - (i) accept from a Member the whole or part of the amount unpaid on a Share although no part of that amount has been called up; and
 - (ii) authorise payment by the Company of interest on the whole or part of an amount so accepted, until that amount becomes payable, at the rate agreed between the Directors and the Member in writing, being a rate not exceeding the Prescribed Rate.
- (b) The amount paid in advance will not confer a right to participate in dividends paid or otherwise participate in profits of the Company in respect of a period before the date on which the amount advanced would, but for such payment, have become payable.
- (c) The Directors may repay the amount advanced on giving the Member at least 14 days' notice in writing.

4.11 Proof of liability for call

- (a) On the trial or hearing of any action for the recovery of any money due for any call, it will be sufficient to prove that:
 - (i) the name of the Member sued is entered in the Register as the holder or one of the holders of the Shares in respect of the call;
 - (ii) subject to clause 4.8, the resolution making the call or determining the fixed amount payable by the terms of issue of the relevant Share(s) is duly recorded in the minute book; and
 - (iii) notice of the call was duly given to the Member sued under this Constitution.
- (b) Proof of the matters referred to in clause 4.11(a) will be conclusive evidence of the debt due in respect of a call.
- (c) It will not be necessary to prove the appointment of the Directors who made the call or any other matter.

5 Lien

5.1 Lien for moneys called

The Company has a first and paramount lien on every Share where:

- (a) an unpaid call or instalment is due but unpaid on that Share;

- (b) the Share was acquired under an employee incentive scheme and an amount is owed to the Company for acquiring that Share;
- (c) the Company is required by the Act to pay (and has paid) an amount in respect of that Share (whether held by a Member or a deceased former Member); or
- (d) all interest and expenses due and payable to the Company in respect of the unpaid amounts, to the extent permitted by Applicable Law.

5.2 Scope of lien

The Company's lien (if any) on a Share extends to:

- (a) reasonable interest and expenses incurred because the amount is not paid;
- (b) all dividends payable or other entitlement determined in respect of the Share; and
- (c) the proceeds of sale of the Share.

5.3 Sale where lien over Shares

- (a) The Company may sell, in the manner the Directors think fit, any Share on which the Company has a lien where:
 - (i) a sum in respect of which the lien exists is presently payable; and
 - (ii) the Company has, not less than 14 Business Days before the date of the sale, given to the Member or the person entitled to the Share by reason of the death or bankruptcy of the Member, a notice in writing setting out and demanding payment of that part of the amount in respect of which the lien exists, as is presently payable.
- (b) In the case of Shares registered under a CSF, any notice under clause 5.3(a)(ii) must comply with the Listing Rules and the Settlement Rules.
- (c) When the Company sells a Share under this clause 5.3, the Company may receive the consideration (if any) given for the Share on any sale or disposition of the Share and may execute a transfer of the Share in favour of the person to whom the Share is sold or disposed of. On execution of the transfer, the transferee may be registered as the holder of the Share. The transferee is not bound to see to the application of any money paid as consideration. A sale of the Share by the Company is valid even if a Transmission Event occurs to the Member before the Sale or disposition of the Share.
- (d) The title of a transferee to a Share under clause 5.3 is not affected by any irregularity or invalidity in connection with the sale or disposal of the Share.
- (e) A statement in writing declaring that the person making the statement is a Director or Secretary of the Company, and that a Share in the Company has been duly sold on a date stated in the statement, is conclusive evidence of the facts stated in the statement against all people claiming to be entitled to the Share and of the right of the Company to sell or otherwise dispose of the Share.

5.4 Application of proceeds of sale

The proceeds of a sale mentioned in clause 5.3 must be applied by the Company in payment of:

- (a) first, the expenses of the sale or other disposal;
- (b) second, any expenses (including any tax liability) necessarily incurred in respect of the enforcement of the lien on the sale or other disposal; and
- (c) third, the amounts secured by the lien and all other amounts payable in respect of the relevant Share,

and the residue (if any) will be held on trust by the Company until paid to the Member or the Member's executors and administrators or assigns (as the case requires) or as that person (or if more than one person, as they) direct in writing.

5.5 Lien on payments made by the Company

- (a) If any Act imposes or purports to impose any immediate, future or possible liability on the Company to make any payment or empowers any person to require the Company to make any payment in respect of any Shares registered in the name of any Member (whether solely

or jointly with others) or in respect of any dividends or other moneys to which that Member is or may become entitled to receive from the Company, the Company:

- (i) is fully indemnified by that Member against all liability;
 - (ii) has a lien on those Shares and all dividends and other money payable in respect of those Shares for all money so paid by the Company, together with interest on that amount at the Prescribed Rate (or at such lower rate as the Directors may determine) from the date of payment to the date of repayment, and may deduct or set off against any such dividend or other moneys payable, any moneys so paid or payable by the Company together with interest;
 - (iii) may recover as a debt due from that Member any money so paid by the Company together with interest calculated on the basis set out in paragraph 5.5(a)(ii); and
 - (iv) subject to the Listing Rules, may refuse to register a transfer of any Shares by that Member until the money and interest has been paid to the Company.
- (b) Nothing in this clause prejudices or affects any right or remedy which the Company may have. Any right or remedy (including those noted above) is enforceable by the Company against every Member or, if the Member is dead or bankrupt, the Member's legal personal representative or the trustee of the Member's estate (as the case may be).

5.6 Protection of lien under Settlement Rules

The Company may do all things necessary or appropriate for it to do under the Settlement Rules to protect any lien, charge or other right to which it may be entitled under any Act or this Constitution.

5.7 Remedies limited to damages

The remedy of any person aggrieved by a sale, re-allotment or cancellation under this clause 5 or clauses 4 or 6 is limited to damages only and is against the Company exclusively.

5.8 Waiver

The Directors may:

- (a) exempt a Share from all or part of this clause 5; and
- (b) waive or compromise all or part of any payment due to the Company under this clause 5.

6 Forfeiture of Shares

6.1 Notice of forfeiture

If a Member fails to pay a call or instalment of a call on the day appointed for payment of the call or instalment, the Directors may, at any time while any part of the call or instalment remains unpaid, serve a notice on that Member:

- (a) requiring payment of so much of the call or instalment as is unpaid, together with any interest that has accrued;
- (b) specifying a date (not earlier than the expiration of 14 days from the date of service of the notice) on or before which the payment required by the notice is to be made; and
- (c) stating that, in the event of non-payment at or before the time appointed, the Shares in respect of which the call was made will be liable to be forfeited.

6.2 Forfeiture of Shares

- (a) If the requirements of a notice served under clause 6.1 are not complied with, any Share in respect of which the notice has been given may at any time after the notice, but before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect.
- (b) A forfeiture under clause 6.2(a) includes all dividends in respect of the forfeited Shares which have not actually been paid before the forfeiture.

(c) Forfeiture of Shares registered under CSF must comply with the Settlement Rules.

6.3 Directors power on forfeiture

Subject to the Listing Rules, a forfeited Share becomes the property of the Company and may be sold or otherwise disposed of on the terms and in the manner the Directors think fit, and, at any time before a sale or disposition, the forfeiture may be cancelled on the terms the Directors think fit.

6.4 Cancellation of forfeited Shares

The Company may only cancel forfeited Shares according to the Listing Rules.

6.5 Implications of forfeiture for Member

- (a) A person whose Shares have been forfeited ceases to be a Member in respect of the forfeited Shares, but remains liable to pay the Company all money that, at the date of forfeiture, was payable by that Member to the Company concerning the Shares (including interest at the Prescribed Rate from the date of forfeiture on the money for the time being unpaid if the Directors think fit to enforce payment of the interest).
- (b) The liability of that Member ceases if and when the Company receives payment in full of all the money (including interest) payable in respect of the Shares.
- (c) The forfeiture of a Share extinguishes all interest in, and all claims and demands against the Company relating to, the forfeited Share and all other rights attached to the Share.

6.6 Statement as evidence of forfeiture

A statement in writing declaring that the person making the statement is a Director or Secretary of the Company, and that a Share in the Company has been duly forfeited on a date stated in the statement, is conclusive evidence of the facts stated in the statement against all people claiming to be entitled to the Share and of the right of the Company to forfeit, sell or otherwise dispose of the Share.

6.7 Transfer of forfeited Share

The Company may receive the consideration (if any) given for a forfeited Share on any sale or disposition of the Share and may execute a transfer of the Share in favour of the person to whom the Share is sold or disposed of. On execution of the transfer, the transferee may be registered as the holder of the Share. The transferee is not bound to see to the application of any money paid as consideration. A sale of the Share by the Company is valid even if a Transmission Event occurs to the Member before the Sale or disposition of the Share.

6.8 Transferee's title to Share

The title of a transferee to a Share under clause 6.7 is not affected by any irregularity or invalidity in connection with the forfeiture, sale or disposal of the Share.

6.9 Additional powers

Where a transfer following the sale of any Shares after forfeiture or for enforcing a lien, charge or right to which the Company is entitled under any Act or under this Constitution is effected by a transfer according to clause 7.1(a), the Company may do all things necessary or desirable for it to do under the Settlement Rules in relation to that transfer.

6.10 Waiver

The Directors may:

- (a) exempt a Share from all or part of this clause 6;
- (b) waive or compromise all or part of any payment due to the Company under this clause 6.

6.11 Proceeds of sale

The proceeds of a sale mentioned in clause 6 must be applied by the Company in payment of:

- (a) first, any expenses (including any tax liability) necessarily incurred in respect of the forfeiture and sale of the relevant Share; and
- (b) second, all other amounts payable by the Member to the Company in respect of the relevant Share,

and the residue (if any) will be held on trust by the Company until paid to the Member or the Member's executors and administrators or assigns (as the case requires) or as that person (or if more than one person, as they) direct in writing.

7 Transfer of Shares

7.1 Transfer

Subject to this Constitution, a Member may transfer all or any of their Shares by:

- (a) any method of transferring or dealing in Shares introduced by the ASX or operated according to the Settlement Rules or the Listing Rules, and recognised by the Act; or
- (b) an instrument in writing in any usual or common form or in any other form that the Directors or the ASX approve.

7.2 Participation in Electronic Transfer Systems

- (a) The Directors may do anything permitted by Applicable Law which they consider necessary or appropriate in connection with the participation by the Company in any computerised or electronic system established or recognised by the Applicable Law for the purpose of facilitating dealings in marketable securities.
- (b) The Company must allow holders of securities on the sub-register to maintain more than one holding on that sub-register. Each holding must be identified by a unique SRN. Each holding must be treated as a separate holding for determining the benefits and entitlements.
- (c) When the Company creates a new holding on the issuer sponsored sub-register, it must allocate a unique SRN for that holding.
- (d) If the Company participates in an electronic transfer system as provided in clause 7.2(a) then, despite any other provision of this Constitution:
 - (i) Shares may be transferred and transfers may be registered in any manner required or permitted by the Listing Rules or the Settlement Rules applying to that system;
 - (ii) the Company must comply with any obligations which are imposed on it by Applicable Law concerning a transfer according to clause 7.1; and
 - (iii) the Company must not prevent, delay or interfere with the registration of a transfer according to clause 7.1(a) except as permitted by Applicable Law.
- (e) The Directors may, to the extent the law permits, waive any of the requirements of clauses 7.1 and 7.3 and prescribe alternative requirements instead, to give effect to clause 7.2(a) or for another purpose.

7.3 Registration

Except where the Directors determine (to comply with laws or securities exchange rules of a foreign country), where a Member seeks to transfer all or any of the Member's Shares according to clause 7.1(b), the Company may only register a transfer of Shares where an instrument satisfying that clause is delivered to the Company at the Office and the instrument:

- (a) is, where necessary, duly stamped;
- (b) is executed by or on behalf of both the transferor and the transferee, except where execution by either the transferor or transferee is not required by, or is treated as having been executed by the Act, the Listing Rules or the Settlement Rules;
- (c) except where otherwise permitted by the Act, the Listing Rules or the Settlement Rules, is accompanied by the certificate of title (if any) to the Shares the subject of the transfer together with other evidence the Directors may require to prove the title of the transferor or the transferor's right to transfer the Shares and the transferee's right to be registered as the owner of the shares; and
- (d) relates only to Shares of one class.

7.4 Transferor remains holder

A transferor of Shares remains the registered holder of the Shares transferred until:

- (a) the transfer according to clause 7.1(a) has taken effect according to the Settlement Rules; or
- (b) the transfer is registered and the name of the transferee is entered in the Register in respect of the Shares to be transferred,

whichever occurs first.

7.5 Restricted Securities

- (a) Restricted Securities cannot be disposed of by the holder of those Restricted Securities during the escrow period, except as permitted by the Listing Rules or the ASX or, where applicable, by a restriction agreement.
- (b) The Company will refuse to acknowledge a disposal of Restricted Securities during the escrow period, except as permitted by the Listing Rules or the ASX or, where applicable, by the restriction agreement.
- (c) During a breach of the Listing Rules relating to Restricted Securities, or a breach of a restriction agreement, the holder of the Restricted Securities is not entitled to any dividend or distribution, or voting rights, in respect of the Restricted Securities.

7.6 Small holdings

- (a) The Company may, once in any 12-month period, sell the Shares of a Member who has less than a Marketable Parcel of those Shares if:
 - (i) the Company has notified the Member in writing of its intention to sell those Shares;
 - (ii) the Member has been given at least six weeks from the date the notice is sent to advise the Company that the Member wishes to retain the holding;
 - (iii) the Member has not notified the Company that the Member wishes to retain the holding within that six weeks; and
 - (iv) neither a takeover offer nor a takeover announcement has been made in respect of the Company or, if one has been made in respect of the Company, the offers made under that takeover offer or takeover announcement, have been closed.
- (b) The costs of sale of the Shares of a Member who has less than a Marketable Parcel of those Shares under clause 7.6(a) must be paid by the Company or the purchaser of the Shares.
- (c) The proceeds of the sale of the Shares of a Member who has less than a Marketable Parcel of those Shares will not be sent to the Member until the Company has received the certificate of title (if any) issued in respect of those Shares (or is satisfied that the certificate has been lost or destroyed).
- (d) The Directors may, before a sale is effected under this clause 7.6, revoke a notice given or suspend or terminate the operation of this clause 7.6 either generally or in specific cases.
- (e) The Company may sell the Shares constituting less than Marketable Parcel as soon as practicable at a price which the Directors consider is the best price reasonably available for the Shares when they are sold.
- (f) The Company may receive the consideration given for a Share on any sale of the Share and may execute a transfer of the Share in favour of the person to whom the Share is sold or disposed of. On execution of the transfer, the transferee may be registered as the holder of the Share. The transferee is not bound to see to the application of any money paid as consideration. A sale of the Share by the Company is valid even if a Transmission Event occurs to the Member before the Sale or disposition of the Share.
- (g) The remedy of any person aggrieved by a sale under this clause 7.6 is limited to damages only and is against the Company exclusively.
- (h) A written statement by a Director or Secretary of the Company that a Share in the Company has been duly sold under clause 7.6 on a date stated in the statement is conclusive evidence of the facts stated as against all persons claiming to be entitled to the Share, and of the right of the Company to sell the share.

7.7 Directors declining registration

The Directors:

- (a) may, in their absolute discretion, decline to register a transfer of Shares (other than a transfer complying with clause 7.1(a)), where to do so would not contravene Applicable Law; and
- (b) must decline to register a transfer of Shares:
 - (i) (other than a transfer complying with clause 7.1(a)) where required by Applicable Law; or
 - (ii) that are Restricted Securities during the escrow period, except as permitted by the Listing Rules or the ASX or the terms of the restriction agreement.

7.8 Notice of refusal to register

- (a) If the Directors decline to register a paper-based transfer under clause 7.7, the Company must notify the transferee (and the broker (if any)) of the refusal to register and the reason for the refusal within five Business Days after the day on which the transfer was lodged with the Company.
- (b) The failure to provide a notice pursuant to clause 7.8(a) will not invalidate the decision of the Directors.

7.9 Holding Locks

- (a) The Company may apply a Holding Lock to securities where permitted to do so under the Listing Rules and the Settlement Rules.

A Director may execute any instrument despite any interest which that Director has in the subject matter of that instrument.

16.5 Directors to keep matters confidential

In the case of an equality of votes, the chair of a meeting of Directors does not have a second or casting vote.

17.6 Quorum

At a meeting of Directors, a quorum is two Directors present.

17.7 Number of Directors less than quorum

In the event of a vacancy or vacancies in the office of a Director or Directors, the remaining Directors may act but, if the number of remaining Directors is not sufficient to constitute a quorum at a meeting of Directors, they may act only for the purpose of:

- (a) increasing the number of Directors to a number sufficient to constitute a quorum; or
- (b) convening a general meeting of the Company.

17.8 Election of chair and deputy chair

- (a) The Directors may elect one of their number to chair their meetings and may determine the period for which that Director is to hold that position.
- (b) The Directors may also elect one of their number as a deputy chair who, in the absence of the chair at a meeting of the Directors, may exercise all the powers and authorities of the chair.

17.9 Absence of chair

Where a Directors' meeting is held and:

- (a) a chair and deputy chair have not been elected as provided by clause 17.8;
- (b) neither the previously elected chair nor the previously elected deputy chair is present within 10 minutes after the time appointed for the holding of the meeting; or
- (c) both the previously elected chair and the previously elected deputy chair are unwilling or unable to act,

the Directors present must elect one of their number to act as chair of the meeting.

17.10 Delegation of powers to committee

- (a) The Directors may delegate any of their powers to a committee or committees consisting of those of their number and other people as they think fit.
- (b) A delegation of a power, or a specified class of powers, may be made either generally or as otherwise provided by the terms of the delegation.

17.11 Powers of committee

If any power is delegated to a committee under clause 17.10:

- (a) the committee must exercise the powers delegated according to any directions of the Directors;
- (b) any power exercised by the committee is taken to be exercised by the Directors;
- (c) the delegation does not prevent the exercise of the power by the Directors; and
- (d) where the exercise depends on the opinion, belief or state of mind of the Directors, the power may be exercised by the committee on the opinion, belief or state of mind of the committee.

17.12 Meetings of committee

The provisions of this Constitution relating to meetings of Directors:

- (a) apply insofar as they are capable of application; and
- (b) are altered as necessary to every meeting held by a committee appointed by the Directors.

17.13 Written resolutions of Directors

- (a) The Directors may pass a resolution without a Board meeting being held if notice in writing of the resolution is given to all Directors and a majority of the Directors entitled to vote on the resolution (not being less than the number required for a quorum at a meeting of Directors) sign a document containing a statement that they are in favour of the resolution set out in the document.
- (b) Any resolution under clause 17.13(a) may consist of several documents in like form, each signed by one or more Directors. An electronic transmission purporting to be signed by a Director will, for the purposes of this clause, be deemed to be in writing signed by that Director.
- (c) A Director may consent to a resolution by:

17.14 Validity of Directors' actions

All acts done by:

- (a) any meeting of the Directors;
- (b) a committee of Directors; or
- (c) any person acting as a Director,

are as valid as if the person had been duly appointed and was qualified to be a Director or to be a member of the committee, despite that it is afterwards discovered that there was some defect in the appointment of a person to be a Director or a member of the committee, or to act as a Director or a member of the committee, or that a person so appointed was disqualified.

This clause 17.14 does not deal with the question whether an effective act by a Director binds the Company in its dealings with other people or makes the Company liable to another person.

17.15 Directors need not be present in person

- (a) Directors' meetings may be held by the Directors communicating with each other by any technological means by which they are able simultaneously to hear each other and to participate in discussion, including by using Virtual Meeting Technology. The Directors need not all be physically present in the same venue. A Director who participates in a meeting held according to this clause is treated as being present and entitled to vote at the meeting. The minutes must record that a meeting was held according to this clause.
- (b) A Director will be taken to leave a Directors' meeting where the Directors are communicating with each other by any technological means if that Director's technological communication device is disconnected in such a manner that all Directors participating are, or should be, aware that the Director has ceased to participate in the meeting. Unless the Directors participating in the meeting become aware that communications have been disrupted, it will be conclusively presumed that all Directors known to have been participating in the meeting at its commencement have been present and have formed part of the quorum at all times during the meeting.
- (c) The disruption of communications during a Directors' meeting held using technological communication or using only Virtual Meeting Technology will not invalidate proceedings at that meeting.

21.6 Non-autographic signatures

The Directors may determine by resolution (either generally or in respect of a particular case) that where the Seal or duplicate common seal of the Company is to be affixed to any instrument, or where an instrument is to be executed without using the Seal, the signature of any Director or the Secretary or any other person may be affixed by some mechanical or other non-autographic means.

- (a) set aside out of the profits of the Company those sums they think proper as reserves to be applied, at the discretion of the Directors, for any purpose for which the profits of the Company may be properly applied;
- (b) pending any such application, use those sums in the business of the Company or invest them in investments (which may be dealt with and varied) as they think fit;
- (c) carry forward so much of the profits remaining as they consider ought not to be distributed as dividends without transferring those profits to a reserve; or
- (d) appropriate to the Company's profits any amount previously set aside as a reserve.

24.2 Determination of dividend

- (a) Subject to section 254T of the Act and the Listing Rules, the Directors may determine a dividend or declare that a dividend (whether interim, final or otherwise) is payable and fix the amount of the dividend, the time for payment and the method of payment.

- (c) Payment of a dividend does not require confirmation at a general meeting.
- (d) Interest is not payable by the Company in respect of any dividend.

24.3 Dividend amount

- (a) Subject to the Listing Rules, section 254T of the Act, and to any special rights or restrictions attached to any Shares, every dividend on a Share in the Company is to be paid as follows, unless otherwise determined by the Board:
 - (i) if the Share to which a particular dividend relates is fully paid and was fully paid during the whole period in respect of which the dividend is to be paid, that dividend is equal to the dividend paid on each other Share which was fully paid during the whole period in respect of which the dividend is to be fully paid; and
 - (ii) if the Share to which a particular dividend relates is partly paid, or is fully paid but was not fully paid during the whole of the period in respect of which the dividend is to be paid, that dividend is apportioned, and paid proportionately to the amounts paid (not credited) on the Share in respect of which the dividend is to be paid with respect to the issue price of the Share (excluding amounts credited) during any part or parts of the period in respect of which the dividend is to be paid.
- (b) An amount paid on a Share in advance of a call is not taken for the purposes of clause 24.3(a)(ii) to be paid on the Share.

24.4 Amounts deducted from dividends

- (a) The Directors may deduct from any dividend payable to a Member any sums of money presently payable by that Member to the Company.
- (b) Without prejudice to the application of any other provision of this Constitution, the Board may retain the dividends payable on Shares in respect of which there are any unpaid calls.

24.5 Distribution of assets

The Directors may pay any part of a dividend by the distribution of specific assets including paid up Shares in, or securities of, any other corporation, either generally or to specific Members. Where a difficulty arises in regard to such a distribution, the Directors may settle the matter as they think fit and may:

- (a) fix the value of any specific asset so distributed;
- (b) determine that cash payments will be made to any Members on the basis of any value so fixed in order to adjust the rights of all parties;
- (c) vest any such specific assets in trustees;
- (d) make cash payments in cases where members are entitled to fractions of Shares or other securities and decide that amounts or fractions of less than a particular value decided by the Directors may be disregarded to adjust the rights of all parties; and
- (e) authorise any person to make, on behalf of all the Members entitled to any specific assets, cash, Shares or other securities as a result of the distribution, an agreement with the

Company or another person which provides, as appropriate, for the distribution or issue to them of Shares or other securities credited as fully paid up for payment by the Company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing Shares or other securities by applying their respective proportions of the amount resolved to be distributed. Any agreement made under this authority is effective and binding on all the Members concerned.

24.6 Manner of payment

- (a) The Directors may decide the method of any dividend or other amount in respect of a Share, including by payment in cash, by the issue of Shares, by the grant of options or by the transfer of assets. Different methods of payment may apply to different Members or groups of Members (such as overseas Members).
- (b) Without limiting any other method of payment which the Company may adopt, a dividend payable in cash in respect of Shares may be paid:
 - (i) by cheque sent by post directed to the address of the Member as shown in the Register or, in the case of joint holders, to the address notified to the Company for receipt of such money (and in default of notification, to the address shown in the Register as the address of the joint holder first named in that Register);
 - (ii) by cheque sent by post directed to such other address as the Member or joint holders in writing direct; or
 - (iii) by some other method of direct credit determined by the Directors to the Member or joint holders shown on the Register or to such person or place directed by them.

Any one of two or more joint holders may give effective receipts for any dividends, interest or other money payable in respect of the Shares held by them as joint holders.

24.8 Unclaimed dividends

All unclaimed dividends may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed or dealt with under any Act relating to unclaimed money. An amount credited to an account of the Company for the purpose of this clause 24.8 is to be treated as having been paid to the Member at the time it is credited to that account. The Company will not be a trustee of the money and no interest will accrue on the money.

24.9 Effect on dividends of transfer of Shares

Subject to the Settlement Rules, a transfer of Shares registered after the relevant record date for a dividend but before the dividend is paid, will not pass the right to the dividend.

24.10 Restricted Securities

During a breach of the Listing Rules relating to Restricted Securities, or a breach of a restriction agreement entered into under the Listing Rules, the Member holding the Restricted Securities is not entitled to any dividends, distribution or voting rights in respect of those Restricted Securities.

24.11 Transmission Event

Subject to the Settlement Rules, where a person is entitled to a Share because of a Transmission Event, the Directors may, but need not, retain any dividends payable on that Share until that person becomes registered as the holder of that Share or transfers it.

24.12 Risk of cheque sent

A cheque sent under clause 24.6(b):

- (a) may be made payable to bearer or to the order of the Member to whom it is sent or any other person the Member directs; and
- (b) is sent at the Member's risk.

24.13 Unpresented cheque

- (a) If a cheque for an amount payable under clause 24.6(b) is not presented for payment for eleven (11) calendar months after issue or an amount is held in an account under clause 24.8 for eleven (11) calendar months, the Directors may reinvest the amount, after deducting reasonable expenses, into Shares in the Company on behalf of, and in the name of, the Member concerned and may stop payment on the cheque. The Shares may be acquired on market or by way of new issue at a price the Directors accept is market price at the time. Any residual sum which arises from the reinvestment may be carried forward or donated to charity on behalf of the Member, as the Directors decide.
- (b) The Company's liability to pay the relevant amount is discharged by an application under this clause 24.13.
- (c) The Directors may do anything necessary or desirable (including executing any document) on behalf of the Member to effect the application of an amount under this clause 24.13.
- (d) The Directors may determine other rules to regulate the operation of this clause 24.13 and may delegate their power under this clause 24.13 to any person.

24.14 Non-Marketable Parcel

If a distribution or issue of specific assets, Shares or securities to a particular Member or Members is, in the Directors' discretion, considered impracticable or would give rise to parcels of securities which do not constitute a Marketable Parcel, the Directors may make a cash payment to those Members or allocate the assets, Shares or securities to a trustee to be sold on behalf of, and for the benefit of, those members, instead of making the distribution or issue to those Members.

25 Plans

25.1 Directors may implement plans

The Directors may adopt and implement any number of plans on terms they determine by which a Member may elect to receive Shares as, or instead of, dividends.

25.2 Types of plans

The plans that the Directors may adopt and implement under clause 25.1 include:

- (a) a dividend reinvestment plan (which, unless otherwise permitted by the Act or the Listing Rules, must be authorised by the Company in general meeting) where any Member or any number or class of Members eligible according to the plan may elect to reinvest dividends payable by the Company by subscribing for fully paid ordinary Shares in the capital of the Company according to the plan; and
- (b) a bonus Share plan where any Member or any number or class of Members eligible according to the plan may elect to forego any dividends that may be payable on all or some of the ordinary Shares held by that Member, and to receive instead some other entitlement according to the plan, including the allotment to the Member of fully paid ordinary Shares in the capital of the Company.

25.3 Plans may be amended, suspended etc.

The Directors have all powers necessary or desirable to implement and carry out fully any plan adopted by them under this clause 25 and may (without limitation):

- (a) amend the terms of any plan as they desire; and
- (b) suspend for any period or terminate the operation of any plan as they desire.

 - (iii) partly as mentioned in paragraph (i) and partly as mentioned in paragraph (ii); or

- and any such application under clause 26.1(b) must be accepted by the Members entitled to share in the distribution in full satisfaction of their interests in the capitalised amount.

26.2 Adjustment of rights

- (a) The Directors may do all things necessary to give effect to the application and resolution referred to in clause 26.1.
- (b) To the extent necessary to adjust the rights of the Members among themselves, the Directors may authorise any person to make, on behalf of all the Members entitled to any further Shares or other securities of the Company on the capitalisation:
 - (i) an agreement with the Company providing for the issue to them, credited as fully paid up, of any such further Shares or other securities of the Company; or
 - (ii) an agreement with the Company for the payment by the Company on their behalf of the amounts or any part of the amounts remaining unpaid on their existing Shares by the application of their respective proportions of the sum resolved to be capitalised.
- (c) Any agreement made under this authority is effective and binding on all the Members concerned.

26.3 Options

Where in accordance with the terms and conditions on which options to take up Shares are granted (and being options existing at the date of the passing of the resolution referred to in clause 26.1(b)) a holder of those options will be entitled to an issue of bonus Shares under this clause 26, the Directors may in determining the number of unissued Shares to be so issued, allow in an appropriate manner for the future issue of bonus Shares to option holders.

27 Notices

27.1 Giving of notices by the Company

The Company may serve a notice on any Member:

- (e) where served personally or left at the Member's registered address, when delivered.

27.3 Notice to joint holders

The Company may give a notice to the joint holders of a Share by giving the notice to the joint holder first named in the Register in respect of the Share.

27.4 Person entitled on death, bankruptcy or mental incapacity

The Company may give a notice to a person entitled to a Share in consequence of the death, bankruptcy or mental incapacity of a Member by serving it on that person:

- (a) by any of the methods noted in clause 27.1 if that person has supplied an address (including an electronic address) or fax number within the State for the service of such notices; or
